Refund, Rescheduling & Service Recovery Policy

Document No. AUR-CLI-03 · Version 0.1 (Draft) · Owner: General Manager · Effective: [Date]

> Draft for internal use. To be reviewed by a UAE-qualified legal adviser once the trade license is issued.

1. Purpose

This policy sets out when The Aura Reset Center gives refunds, credits or replacement sessions, and how hosts put things right when an experience falls short. It sits alongside the Booking, Arrival, Cancellation & No-Show Policy (AUR-CLI-02), the Membership Terms & Conditions (AUR-CLI-04) and the Gift Vouchers & Packages Terms (AUR-CLI-05). Nothing in this policy limits a guest's rights under UAE consumer protection law.

2. Principles

- **Make it right first.** Our first response to a problem is a calm conversation and a practical fix, not a form.
- **Credit before refund, unless a refund is fairer.** A replacement session or account credit is usually the quickest remedy. Where a guest prefers a refund and is entitled to one, we refund.
- **Safety never costs the guest.** A session stopped for safety is never charged.
- **Consistency.** Hosts follow the matrix in section 4. The General Manager approves anything outside it.

3. Definitions

- **Credit:** a value or a session added to the guest's account, valid for [12 months] [proposed], usable for any modality of equal value.
- **Replacement session:** the same modality rebooked at no charge.
- **Refund:** money returned to the original payment method.

4. When refunds, credits and replacements apply

Situation	Remedy	Who approves
Cancelled by the guest outside the cancellation window	Full refund of any deposit, or no charge	Host
Late cancellation or no-show	Charges apply as in AUR-CLI-02; no refund	Host; waivers by General Manager
Health-related cancellation (illness, medical advice)	Charge waived; deposit refunded or held as credit	Host
Session not suitable after on-the-day health check	No charge; alternative modality, later date or credit	Host / clinician

Situation	Remedy	Who approves
Session stopped for safety by host or clinician	No charge; replacement session or full refund	Host
Session stopped at guest's own request (discomfort, anxiety)	No charge if stopped in the first [___] minutes; otherwise replacement session offered as goodwill	Host
Equipment failure before the session starts	Alternative modality, rebooking or full refund	Host
Equipment failure during the session	Replacement session plus [goodwill gesture], or full refund	Host
Cancelled or moved by The Aura	Free rebooking, credit or full refund, guest's choice	Host
IV formula prepared, then not administered for clinical reasons	No charge	Clinician / General Manager
Dissatisfied with the experience (no fault found)	Conversation with host; goodwill credit at General Manager's discretion	General Manager
Late arrival leading to shortened session	No refund (session shortened, not extended)	Host

5. Equipment failure

Every machine is Elevé Health equipment, installed by Elevé, calibrated to clinical specification and serviced on Elevé's clinical service schedule. Even so, faults can occur.

- If a unit faults, the host stops the session, makes sure the guest is safe and comfortable, and records the fault in the Equipment Fault Log [reference].
- The host offers the guest, in this order: an alternative modality that day (if suitable), a replacement session, or a full refund.
- For a member, a session lost to equipment failure is never counted against their allowance and is reinstated.
- The General Manager contacts Elevé Health technical support and closes the unit until it is cleared.
- Where several guests are affected (for example, a unit out of service for a day), we contact all booked guests in advance and offer rebooking or a refund.

6. Sessions stopped for safety

Hosts and clinicians may stop any session at any time for safety, for example a reading on the cryotherapy thermal-vision monitor, discomfort during hyperbaric pressurisation, dizziness in the sauna, or a reaction during IV therapy.

- The guest is cared for first. Incidents are recorded under our incident reporting procedure [reference].
- The session is not charged. Members have the session reinstated.
- If the stop arose because the guest did not disclose relevant health information, the session is still not charged, but we may require a clinician screen or a doctor's note before that modality is booked again.
- If the stop arose because the guest did not follow host instructions or the House Rules (AUR-CLI-06), the General Manager decides whether a charge applies.

7. Rescheduling initiated by The Aura

If we need to move a booking (equipment service, clinician availability, power or water interruption, building works or events outside our control), we will:

1. contact the guest as early as possible by [Phone / WhatsApp / Email];
2. offer the nearest suitable slot, an alternative modality or a credit;
3. refund any deposit or prepaid amount in full if the guest prefers.

8. Unused sessions

- **Single sessions** paid in advance and not used: refunded if cancelled outside the window; otherwise covered by AUR-CLI-02.
- **Membership sessions:** whether unused monthly sessions roll over is [To be decided] (see AUR-CLI-04). Unused sessions are not refundable for cash.
- **Packages:** unused sessions in a package are valid until the package expiry date (AUR-CLI-05). Refunds of unused package sessions are given only where required by law, for a documented medical reason, or at the General Manager's discretion, less sessions already used at the full single-session price of AED [___].
- **Relocation:** a member or package holder leaving the UAE may transfer remaining value to our Santa Ana, California studio [to be confirmed] or request a pro-rata refund at the General Manager's discretion.

9. Gift vouchers

- Gift vouchers are not exchangeable for cash and are not refundable once issued, except where required by law or where The Aura can no longer provide the service.
- A purchaser may cancel an unredeemed voucher within [14 days] of purchase for a full refund [proposed].
- Full terms are in AUR-CLI-05.

10. Payment methods

We accept [card (Visa, Mastercard, American Express) / Apple Pay / Google Pay / bank transfer for corporate accounts / cash — to be decided]. Prices are in UAE dirhams and include VAT where applicable [TRN].

Refunds are always made to the original payment method. Cash refunds are given only for cash payments. Refunds are not made to a different person or card.

11. Processing times

Method	When we process	When the guest should see it
Card / digital wallet	Within [3] working days of approval	Usually [5–14] working days, depending on the bank
Bank transfer (corporate)	Within [5] working days of approval	[___] working days
Account credit	Same day	Immediately on the guest's account

Every refund and credit is confirmed to the guest in writing by email.

12. Service recovery: how hosts put things right

When a guest is unhappy, the host:

1. **Listens.** Finds a quiet place, gives the guest full attention, does not argue or explain away.
2. **Acknowledges.** Thanks the guest and names what went wrong.
3. **Acts.** Offers the remedy in section 4 that fits, within the host's authority, on the spot where possible.
4. **Records.** Logs the matter in the Guest Feedback Log [reference] the same day.
5. **Follows up.** The host or General Manager contacts the guest within [48 hours].

Hosts may offer goodwill gestures up to [a replacement session / AED [___] credit] without approval. Anything above this goes to the General Manager.

13. Complaints

Guests who are not satisfied may write to the General Manager at [Email]. We acknowledge within [2] working days and aim to resolve within [10] working days. Complaints about clinical services are also handled under our clinical governance procedures, subject to DHA requirements [DHA licence / approval reference].

14. UAE consumer protection

This policy is intended to be consistent with UAE Federal consumer protection law and Dubai Department of Economy and Tourism consumer rights guidance. Guests keep any statutory rights they have, including the right to receive a service as described and to a remedy where it is not. If a guest is not satisfied with our response, they may contact the Dubai consumer protection authority [contact reference]. Refund and cancellation terms are shown to guests at booking, on the confirmation email and at the studio.
