# Membership Terms & Conditions

Document No. AUR-CLI-04 · Version 0.1 (Draft) · Owner: General Manager · Effective: [Date]

> Draft for internal use. To be reviewed by a UAE-qualified legal adviser once the trade license is issued.

## 1. About these terms

These terms apply to memberships at The Aura Reset Center, operated by [Registered Company Name], trade license [Trade License No.], issued by [Licensing Authority], TRN [TRN], at 332 Jumeirah First, Jumeirah Beach Road, Jumeirah 1, Dubai, UAE ("The Aura", "we", "us"). "You" means the member.

By joining, you accept these terms, the Booking, Arrival, Cancellation & No-Show Policy (AUR-CLI-02), the Refund, Rescheduling & Service Recovery Policy (AUR-CLI-03) and the Guest House Rules & Studio Etiquette (AUR-CLI-06). Prices are in UAE dirhams and are shown at sign-up as AED [___].

Our modalities are wellness services designed to support how you feel and function. They are not a substitute for medical care. IV therapy is administered by licensed clinicians, and we will always flag anything that warrants a conversation with your doctor.

## 2. Membership options

| Option | Sessions | Benefits | Price |
|---|---|---|---|
| Single Reset (pay as you go) | One visit, one modality | Guided first-visit walkthrough; no commitment; add a second modality on the day | AED [___] per visit |
| Restore (monthly) | 8 sessions per billing month, any core modality | Priority booking windows; 1 guest pass per month; 10% off IV therapy and add-ons | AED [___] per month |
| Elevate (monthly, unlimited) | Unlimited core-modality sessions, subject to fair use | Quarterly guided protocol review; 2 guest passes per month; 15% off IV therapy and add-ons; first access to opening-week slots in Dubai | AED [___] per month |

Single Reset is not a recurring membership; it is a single visit with no ongoing commitment. Sections 4 to 9 apply to Restore and Elevate.

## 3. Founding Member terms (Dubai)

1. Founding membership is open to the **first 100** people who join the founding member list and then activate a Restore or Elevate membership by [activation deadline].
2. **No payment is taken on joining the list.** Billing starts on activation.
3. **Price lock:** the launch price of your chosen tier is locked for **12 months** from your first billing date, provided your membership stays active (a pause under section 6 does not break the lock; cancellation does).
4. **Guest passes:** two guest passes every month for the **first three months** of membership. For Elevate this replaces, rather than adds to, the standard allowance [confirm]. After three months, standard tier allowances apply.
5. **Launch invitation:** an invitation for the member to the November 2026 launch evening [plus one: confirm].
6. **First choice** of opening-week sessions.
7. Founding status is personal and cannot be transferred. If a founding member cancels, the price lock ends; the founding place is not reissued [confirm].

## 4. Billing cycle

- Memberships are billed monthly in advance on the same date each month (the "billing date"), starting on activation.
- Payment is by card on file with our payment provider [Payment provider]. You authorise us to take each monthly payment.
- If a payment fails, we will notify you and retry within [3] days. Bookings may be paused until payment is made. After [14] days unpaid, the membership may be cancelled.
- Prices include VAT where applicable.

## 5. Month-to-month, no long-term contract

Restore and Elevate run month-to-month. There is no minimum term and no long-term contract.

## 6. Pause for travel

- You may pause for travel by giving notice before your next billing date by [Email / in app / at the studio].
- Pauses run in whole billing months, minimum [1] and maximum [3] months at a time, up to [3] months in any 12 months [to be decided].
- No membership fee is charged during a pause [or a holding fee of AED [___]: to be decided]. Sessions and guest passes are not available while paused.
- Your membership restarts automatically at the end of the pause.
- You may also use your membership at our Santa Ana, California studio instead of pausing (section 12).

## 7. Cancellation

- You may cancel at any time **before your next billing date**. Cancellation takes effect at the end of the current billing month; you keep access until then.
- Cancel by [Email], [WhatsApp] or in person. We confirm by email.
- Monthly fees already paid are not refunded, except as required by law or under AUR-CLI-03.
- Future bookings beyond the end date are released.

## 8. Session allowances

- Restore: 8 core-modality sessions per billing month. One session is one booking of one core modality.
- Elevate: unlimited core-modality sessions, subject to fair use (section 9).
- **Roll-over:** whether unused Restore sessions roll over to the next month is **[To be decided]**. Proposed option for decision: up to [2] unused sessions roll over for one month only, and roll-over sessions are lost on cancellation.
- Late cancellations and no-shows count as used sessions (AUR-CLI-02). Sessions lost to equipment failure or stopped for safety are reinstated (AUR-CLI-03).
- A "Find your reset" 3-step sequence uses one session per core modality in the sequence [confirm].

FAIR USE ON ELEVATE

Elevate unlimited is for the personal use of one member. To keep the schedule fair for all:

- one session per modality per day, and no more than [3] core sessions per day [to be decided];
- no more than [___] future bookings held at a time;
- hosts may limit back-to-back sessions where this is not in your wellbeing interest (for example, repeated cold exposure).

If use appears to breach fair use, the General Manager will talk with you first. Continued breach may lead to booking limits or a move to Restore.

## 10. Member discounts

- Restore members receive **10%** off IV Nutrient Therapy and add-ons. Elevate members receive **15%**.
- Discounts apply to the member's own sessions only, and do not combine with other offers unless stated.
- Discounts do not apply to gift vouchers, retail [if any] or group bookings unless stated.

## 11. Guest passes

- Restore: 1 guest pass per billing month. Elevate: 2 per billing month. Founding members: see section 3.
- Each pass covers one core-modality session for one guest aged 18 or over [proposed], booked by the member.
- Passes do not cover IV Nutrient Therapy or add-ons.
- Passes expire at the end of the billing month and do not roll over [confirm]. They have no cash value.
- The same guest may use no more than [2] passes in [3] months, after which we invite them to become a member [to be decided].
- Members are responsible for their guest's conduct. Guests complete the health questionnaire and follow the House Rules.

## 12. Cross-location use: Dubai and United States

Your membership travels with you. A Dubai membership may be used at our studio at 1936 East Deere Avenue, Suite 120, Santa Ana, California 92705, which is open by appointment. Bookings there follow that studio's local booking and safety requirements and the modalities available there. Billing stays in AED with the Dubai studio. [Reciprocal terms for US members visiting Dubai: to be confirmed.]

## 13. Health and safety

- You must complete the health questionnaire and tell us promptly of any change in your health, including pregnancy, new diagnoses or medication.
- Hosts and clinicians may decline or stop any session for safety.

- IV Nutrient Therapy and Hyperbaric Oxygen require a clinician screen and are subject to DHA requirements [DHA licence / approval reference].

## 14. Non-transferability

Memberships, sessions, guest passes and discounts are personal to the named member. They cannot be shared, sold, transferred or used by anyone else. We may ask for identification at check-in.

## 15. Suspension and termination for misconduct

We may suspend or end a membership, with a refund of any unused prepaid period where fair, if a member or their guest:

- behaves in a way that is abusive, threatening, discriminatory or harassing towards hosts or guests;
- repeatedly breaches the House Rules or safety instructions;
- misuses equipment or deliberately withholds health information relevant to safety;
- shares or misuses their membership or guest passes;
- fails to pay amounts due.

Except where immediate action is needed for safety, the General Manager will speak with the member first and confirm any decision in writing.

## 16. Personal data

We process member data, including health information, in line with Federal Decree-Law No. 45 of 2021 on personal data protection (PDPL) and our Privacy Notice [reference]. Health information is used only to deliver services safely.

## 17. Changes to these terms and prices

- If you do not accept a change, you may cancel before it takes effect.
- Founding member price locks are honoured for their full 12 months.
- Changes needed for safety, law or DHA requirements may take effect sooner.

## 18. Governing law

These terms are governed by the laws of the Emirate of Dubai and the federal laws of the UAE. Nothing in them limits your statutory consumer rights.
