Job Descriptions

Document No. AUR-HR-01 · Version 0.1 (Draft) · Owner: General Manager · Effective: [Date]

> Draft for internal use. To be reviewed by a UAE-qualified legal adviser once the trade license is issued.

This document sets out the eight founding roles for the Dubai studio at 332 Jumeirah First, Jumeirah Beach Road, Jumeirah 1, opening November 2026. Each role exists to protect one promise: every guest is met by someone who knows the modalities and walks with them from arrival to the last exhale.

Applies to all roles. The studio is open seven days a week, [Opening hours] (planning assumption 8:00am–8:00pm). Shifts are rostered under the Staff rota template (AUR-HR-08) within the working-hours limits of UAE Federal Decree-Law No. 33 of 2021. All staff complete Elevé Health training relevant to their role after hire, current CPR/BLS certification, and the onboarding plan in AUR-HR-05. Salaries and benefits are confirmed in the individual offer letter (AUR-HR-03).

1. Lead Host / Operations Lead

Purpose. Lead the Host team on the studio floor and keep every shift running to the Elevé standard: safe equipment, calm guests, on-time sessions.

Reports to: General Manager. **Direct reports:** Hosts, Spa Attendants (shift supervision of Guest Relations Executives).

KEY RESPONSIBILITIES

- Lead the opening and closing checks for all 11 modalities, including cryotherapy chamber, cold plunge water temperature (5 °C), sauna and float tank readiness.
- Build and publish the weekly rota; ensure minimum staffing per shift and approve shift swaps.
- Host guests personally, especially first-timers booking "Not sure yet — build my reset", and model the Aura guest journey.
- Coach Hosts on protocols, contrast pairings and the opening breathing ritual: "In for four, out for six."
- Act as first point of escalation for guest concerns, incidents and near misses; log them in line with AUR-SAF-01 and AUR-SAF-05.
- Liaise with Elevé Health technicians on service visits, faults and protocol updates; keep the equipment log current.
- Track consumables (robes, towels, slippers, Epsom salt, salt cabin supplies) and raise orders.
- Lead the founding-member welcome and the November launch-week floor plan.

KPIS

KPI	Target
Guest satisfaction score (post-visit survey)	[Target]/5 or higher
Sessions starting on time	[Target]%
Opening/closing checklists completed and signed	100%
Equipment downtime reported to Elevé within 1 hour	100%
Host team certification current (Elevé, CPR/BLS)	100%
Member retention (Restore and Elevate)	[Target]% month on month

QUALIFICATIONS & LICENCES

- [Number] years in premium spa, wellness, hospitality or fitness operations, including team supervision.
- Current CPR/BLS certification (or willingness to complete before start).
- Elevé Health device training on all modalities after hire, including supervisor-level safety modules.
- First aid certificate; fire warden training (Dubai Civil Defence requirements) arranged by The Aura.

SKILLS

- Calm, visible leadership under pressure; clear, warm communication.

- Rota planning and basic stock control; confident with booking systems.
- Strong hygiene discipline and attention to detail.
- English essential; Arabic or other languages an advantage.

WORKING PATTERN

Full-time, [Hours] hours per week across a 7-day studio. Rotating opening, mid and closing shifts, including weekends and launch-week events.

PACKAGE

- Salary band: AED [___] per month (basic, housing and transport breakdown in offer letter).
- Benefits: [___]

2. Host (Wellness Host)

Purpose. Be the guest's guide through their reset. A host, not a receptionist: you know the modalities and walk with each guest from arrival to the last exhale.

Reports to: Lead Host / Operations Lead.

KEY RESPONSIBILITIES

- Welcome each guest, check how they arrived (the nervous system first), and lead the opening breathing ritual.
- Confirm pre-session screening and consent forms are complete before every session.
- Operate Elevé equipment to protocol: E-CRYO PRO cryotherapy, red-light bed, infrared sauna, compression boots, dry float bed, E-Salt Cabin and the Polar Recovery cold plunge (always host-guided).
- Prepare and reset float tank and treatment rooms; support hyperbaric sessions under Clinical Lead supervision.
- Build 3-step sequences for first-timers and suggest contrast pairings (cold plunge with infrared sauna; compression with sauna or cryotherapy; salt cabin before float or breathwork).
- Use wellness language only; never make medical claims; flag anything that warrants a conversation with a doctor to the Clinical Lead.
- Record session notes in the booking system and explain memberships (Single Reset, Restore, Elevate) accurately.

KPIS

KPI	Target
Guest satisfaction score for sessions hosted	[Target]/5 or higher
Screening and consent completed before session	100%
Session protocol and time-limit compliance (e.g. cryotherapy 3 min)	100%
Room reset within allocated changeover time	[Target]%
Membership or rebooking conversions	[Target] per month

QUALIFICATIONS & LICENCES

- Background in spa, wellness, fitness, sports therapy or premium hospitality. [Minimum experience]
- Current CPR/BLS certification.
- Elevé Health device training per modality after hire, with sign-off before operating any unit alone.
- Breathwork or bodywork qualifications an advantage.

SKILLS

- Genuine interest in nervous-system regulation and recovery.

- Steady, reassuring presence; reads guest comfort and anxiety well.
- High hygiene standards; physically able to lift, clean and stand for long periods.
- English essential; additional languages an advantage.

WORKING PATTERN

Full-time, [Hours] hours per week, rotating opening, mid and closing shifts across seven days, including weekends.

PACKAGE

- Salary band: AED [___] per month.
- Benefits: [___]

3. Guest Relations Executive (Front Desk)

Purpose. Make the first and last moments of every visit effortless: bookings, arrivals, payments and member care.

Reports to: Lead Host / Operations Lead (day to day); General Manager.

KEY RESPONSIBILITIES

- Manage booking requests by phone, WhatsApp, email and the website; send confirmations with calendar invites.
- Greet guests, check them in, issue robes, towels and slippers, and hand over to the Host.
- Remind guests to arrive 10 minutes early, hydrated, without heavy make-up or lotions for light and cold sessions.
- Process payments and membership sign-ups, pauses and cancellations before the next billing date; manage guest passes and founding-member benefits.
- Handle enquiries and first-line complaints in line with AUR-SAF-05; escalate promptly.
- Protect guest personal data in line with the PDPL and AUR-SAF-03.
- Maintain a calm, tidy reception and lounge.

KPIS

KPI	Target
Enquiry response time (WhatsApp, email)	Within [Target] minutes during opening hours
Booking accuracy (no double bookings or wrong modality)	[Target]%
No-show rate after reminders	Below [Target]%

Membership conversions from Single Reset guests	[Target] per month

QUALIFICATIONS & LICENCES

- [Number] years in front-desk, concierge or guest relations in hospitality, spa or clinic settings.
- Current CPR/BLS certification (provided after hire if needed).
- Elevé Health orientation on all modalities after hire, to explain each session accurately.

SKILLS

- Warm, unhurried telephone and in-person manner.
- Confident with booking and point-of-sale systems; accurate with payments.
- Discretion with personal data.
- English essential; Arabic an advantage.

WORKING PATTERN

Full-time, [Hours] hours per week across opening, mid and closing shifts, seven-day rota.

PACKAGE

- Salary band: AED [___] per month.
- Benefits: [___]

4. Clinical Lead (DHA-licensed Registered Nurse or GP)

Purpose. Provide licensed clinical oversight for IV Nutrient Therapy and hyperbaric oxygen sessions, and keep clinical practice safe and compliant, subject to DHA requirements.

Reports to: General Manager (operations); [Medical Director / DHA-registered responsible person] (clinical governance).

KEY RESPONSIBILITIES

- Administer IV nutrient therapy (energy, immunity, skin/glow, recovery, post-flight formulas) or supervise licensed clinicians who do, within the scope of the [DHA licence / approval reference].
- Carry out clinical screening and contraindication checks; decide whether a guest is suitable for IV or hyperbaric sessions.
- Supervise hyperbaric oxygen sessions (Elevé chamber, 1.3–2.0 ATA) and lead emergency response in the clinical area.
- Maintain clinical records, consent forms, medicine storage, cold chain and waste disposal to DHA and Dubai Municipality standards.
- Write and review clinical SOPs; brief Hosts on when to flag a guest for a conversation with their doctor.
- Lead CPR/BLS refreshers and emergency drills with the Lead Host.
- Prepare for DHA inspections and keep licences and certifications current.
