Staff Rota & Attendance Templates

Document No. AUR-HR-08 · Version 0.1 (Draft) · Owner: Lead Host / Operations Lead · Effective: [Date]

The Aura Reset Center is open seven days a week. Opening hours are [Opening hours]; this template uses the planning assumption of **8:00am–8:00pm**, aligned with the booking bands (Morning 8–11am, Midday 11am–2pm, Afternoon 2–5pm, Evening 5–8pm). Adjust shift times once opening hours are confirmed. Rotas must respect working-hour, rest-day and overtime rules under UAE Federal Decree-Law No. 33 of 2021 and the HR manual (AUR-POL-02).

1. Shift pattern

Shift	Times	Covers booking bands	Main duties
Opening	7:00am–3:00pm [incl. 1 hr break]	Morning, Midday	Opening checklist: equipment start-up, cryotherapy and cold plunge checks, sauna pre-heat, float tank check, linen par, breathing ritual huddle
Mid	11:00am–7:00pm [incl. 1 hr break]	Midday, Afternoon	Peak-time hosting, breaks cover, room resets, Elevé service visits
Closing	12:30pm–8:30pm [incl. 1 hr break]	Afternoon, Evening	Evening hosting, end-of-day cleaning and logs, equipment shut-down, cash-up, closing checklist

> Opening starts one hour before the first guest and closing ends 30 minutes after the last session. Breaks are staggered so no modality is left unattended.

5. Rota and swap rules

1. The rota is published every [Day] for the week starting [Number] days later. Check it at each shift.
2. Every employee has at least [Number] rest day(s) per week, as required by law and their contract.
3. Total hours, including overtime, stay within the limits of UAE labour law. Overtime needs prior approval on the Overtime authorisation form (AUR-HR-07).
4. Shift swaps need a completed Shift swap request (AUR-HR-07), signed by both employees and approved by the Lead Host **before** the shift. Unapproved swaps are treated as absence.
5. A swap is approved only if the covering employee is signed off on every modality booked for that shift and minimum staffing is still met.

6. Clinical shifts may be swapped only with another DHA-licensed clinician approved by the Clinical Lead.
7. Sick leave: call or message the Lead Host at least [Number] hours before your shift where possible; a medical certificate is required as set out in the HR manual.
8. Clock in and out using [Attendance system]. Do not record time for another employee.
9. Leave requests around the November 2026 launch, Ramadan, Eid and other peak periods may be limited; apply early.
10. Rotas, timesheets and attendance records are retained for [Retention period] and handled under the PDPL (AUR-SAF-03).
