Website Privacy Policy (Draft)

Document No. AUR-MKT-01 · Version 0.1 (Draft) · Owner: General Manager · Effective: [Date]

> Draft for internal use. To be reviewed by a UAE-qualified legal adviser once the trade license is issued.
>
> Legal review note: this draft is written against the UAE Federal Decree-Law No. 45 of 2021 on the protection of personal data (PDPL) and its implementing regulations. The adviser should confirm the lawful bases, the position on health data, cross-border transfer wording for the US location and Elevé Health, cookie consent mechanics, and whether any DHA record-keeping rules override the retention periods below.

1. Who we are

This website is operated by [Registered Company Name], trading as The Aura Reset Center ("The Aura", "we", "us"), Trade License No. [Trade License No.], issued by [Licensing Authority]. Our Dubai studio is at 332 Jumeirah First, Jumeirah Beach Road, Jumeirah 1, Dubai, UAE. The Aura began in the United States, at 1936 East Deere Avenue, Suite 120, Santa Ana, California 92705.

We are the controller of the personal data you share with us through this website. If you have a question about this policy, write to us at [Email].

2. What this policy covers

This policy explains what we collect when you visit [Website], request a booking, or join the founding-member list, why we collect it, who we share it with, how long we keep it, and the rights you have. It does not cover the health and consent forms you complete at the studio; those are covered by our in-studio privacy notice [cross-reference to studio privacy notice].

3. What we collect

THROUGH THE BOOKING REQUEST FORM

Name	To know who is visiting and address you properly
Phone / WhatsApp	To confirm or adjust your booking and contact you on the day
Email	To send your confirmation and calendar invite
Location (Dubai or United States)	To route your request to the right studio

THROUGH THE FOUNDING-MEMBER LIST

Name, phone / WhatsApp, email, location and, if you choose, the modalities or goals you are interested in. No payment is taken when you join the list.

INFORMATION YOU SHOULD NOT SEND THROUGH THE WEBSITE

Please do not use the notes field to share detailed medical history. If something about your health matters for your visit, your Host will ask about it privately at the studio, using our health screening form. If you do include health information in a note, we will treat it as sensitive personal data, use it only to prepare for your visit, and move it into your secure guest record.

COLLECTED AUTOMATICALLY

- Technical data: IP address, device and browser type, pages viewed, referring page and time of visit.
- Cookie and similar technology data (see section 6).

4. Why we use your data, and on what basis

We do not sell your personal data. We do not use it for automated decisions that have legal or similarly significant effects on you.

5. Who we share it with

- **Our team:** the General Manager, Hosts and, where relevant, our licensed clinical staff, on a need-to-know basis.
- **Service providers** who process data on our behalf under written agreements: website hosting [Provider], booking software [Provider], email and messaging [Provider], analytics [Provider], payment provider [Provider] (for in-studio payments only).
- **Our United States location**, if you request a visit in Santa Ana, or if you are a member using your membership there.
- **Authorities** where the law requires it.

We do not share your website data with Elevé Health for marketing. Elevé may see limited operational data (for example, session counts on a unit) needed to service equipment; this does not identify you.

6. Cookies

We use a small number of cookies and similar technologies.

Type	What it does	Consent needed?
Strictly necessary	Keeps the site and booking form working, remembers your cookie choice	No
Analytics	Tells us which pages are useful, in aggregate	Yes
Marketing	Measures campaigns, for example on Instagram	Yes

When you first visit, a banner lets you accept, reject or choose. You can change your choice at any time through the "Cookie settings" link in the website footer, or by clearing cookies in your browser. A full cookie list is at [Cookie list link].

7. Visitors from the United States

The Aura operates in both the UAE and California. If you are in the United States:

- Data you submit for the Santa Ana location may be stored and handled in the United States and, where we use shared systems, in the UAE.
- California residents may have additional rights under the California Consumer Privacy Act, as amended (CCPA/CPRA), including to know, delete and correct personal information, and to opt out of "sale" or "sharing". We do not sell personal information. [Legal adviser to confirm whether CCPA thresholds apply and add any required disclosures.]
- To make a request, email [Email] with "US privacy request" in the subject line.

8. Transfers outside the UAE

Some of our service providers store data outside the UAE. Where we transfer personal data abroad, we do so only as permitted by the PDPL, for example to countries with adequate protection or under contractual safeguards. [Legal adviser to confirm transfer mechanism and list of countries.]

9. How long we keep it

10. Keeping it safe

We use access controls, encryption in transit, strong passwords and two-step login on our systems, and we train every Host in handling personal data. No website is perfectly secure; if a breach affects you, we will tell you and the UAE Data Office as the PDPL requires.

11. Your rights under the PDPL

You can ask us to:

- tell you what personal data we hold about you and how we use it, and give you a copy;
- correct data that is inaccurate or incomplete;
- delete your data, where we no longer need it or you withdraw consent;
- restrict or stop certain processing;
- transfer your data to another provider, where technically possible;
