[Medical Director named on the licence]	Doctor named on the licence; not on the floor	General Manager	Oversight and escalation only; no medical treatments are offered at launch

> No clinical services are offered at launch, so there is no Clinical Lead on the floor. If clinical services (for example IV Nutrient Therapy) are added in future, subject to DHA licensing, a Clinical Lead and licensed clinical staff would be appointed and this chart updated.

6. Shift cover model

The studio is open 7 days a week, 9:00am–9:00pm, across two shifts (for example 9:00am–3:30pm and 2:30pm–9:00pm [confirm]), with a one-hour handover overlap. There is one unit of each Elevé machine, so a single unit out of service means that modality is unavailable until it is restored.

Position	Minimum on shift	Notes
Lead Host or designated Shift Lead	1	Responsible person on the floor at all times
Hosts	2 (including the Shift Lead)	Cold plunge is always host-guided; dry float, cryotherapy and hyperbaric sessions need a Host within reach
Healer	[__]	Present whenever a first-visit consultation, Sound Healing or Guided Breathwork session is booked
Guest Relations	[__]	Covers arrivals, online and WhatsApp bookings
Cleaning support	[__]	Turnover between sessions; [in-house attendant / outsourced cleaner — to be decided]
