About The Aura Reset Center

Reset · Heal · Elevate. The Aura Reset Center is a recovery studio for the modern nervous system.

We bring advanced wellness technology and holistic practice together in one beautiful space, where every experience is created with intention. Your first visit begins with a consultation with one of our Healers, who identify what you need and design a personalised programme to regulate your nervous system and support energy healing. Each visit begins with a simple breathing ritual, in for four, out for six, and is guided by a Host who knows every modality and walks with you from arrival to the last exhale.

The Aura began in Santa Ana, California. Our Dubai flagship opens in November 2026 on Jumeirah Beach Road, Jumeirah 1, with an official launch evening and founding members welcomed first.

FOUR THINGS WE WILL NOT COMPROMISE ON

1. **The nervous system first.** Every protocol starts by asking what state you arrived in.
2. **Clinical hardware only.** One supplier, Elevé Health, installed and serviced by their technicians.
3. **A host, not a receptionist.** Someone who knows the modalities walks with you, every visit.
4. **Whole person, always.** Body, mind, nervous system and spirit.

Our founder

Eutemia Stockman, Founder & Chief Executive Officer

Eutemia's wellness journey began in 2014 with energy healing and the connection between body, mind and nervous system. It expanded into biohacking, frequency-based wellness, fascia work and advanced technology. The Aura is the result: a place where technology and holistic practice meet.

"When I came to Dubai, something immediately felt different. I felt at home."

Eutemia's hope is simple: that everyone who walks through our doors feels cared for, supported, and inspired to become the best version of themselves.

Our technology: the Elevé standard

Every machine at The Aura is Elevé Health. The Aura is **Elevé Health's first partner clinic in the UAE**. Elevé, whose Longevity Lounge is in Newport Beach, installs, calibrates and services every unit on their clinical service schedule, trains every Host, and provides ongoing technical support and protocol updates.

Commitment	What it means for our guests and partners
Installed by Elevé	Every unit set up by Elevé technicians, not third parties

Hosts trained by Elevé	Every Host is trained on every unit they run
Supported for life	Ongoing technical support and protocol updates

Our modalities

Eight Elevé modalities, one unit of each, plus Guided Breathwork and Sound Healing sessions, across three pillars. Each is guided by a Host, who will suggest combinations that suit you.
