Booking, Arrival, Cancellation & No-Show Policy

Document No. AUR-CLI-02 · Version 0.2 (Draft) · Owner: General Manager · Effective: [Date]

> Draft for internal use. To be reviewed by a UAE-qualified legal adviser once the trade license is issued.

1. Purpose and scope

This policy explains how guests and members book, arrive at, change and cancel sessions at The Aura Reset Center, 332 Jumeirah First, Jumeirah Beach Road, Jumeirah 1, Dubai. It applies to all launch modalities and sessions (including Guided Breathwork, Sound Healing and the first-visit Healer consultation), goal-based "Find your reset" sequences, memberships, guest passes and group bookings. Hosts apply it consistently, warmly and without judgement. The General Manager may make exceptions where fairness requires it.

No medical treatments are offered at launch. Hyperbaric Oxygen is offered as a non-medical wellness session [confirm licensing requirements for hyperbaric with DHA / licensing authority]. Where DHA or licensing-authority rules require something stricter than this policy, those rules apply.

2. How to book

Guests may book through:

- our website booking form at [Website]
- WhatsApp at [WhatsApp]
- [Phone] or [Email]
- in person with a host at the studio

Many new guests reach us through our paid advertising campaigns (Meta/Instagram/Google). Every enquiry, from an ad, the website or WhatsApp, is answered within [___ minutes] during opening hours. Bookings are managed in [Booking system — to be chosen].

Each request names a modality, a goal sequence or "Not sure yet — build my reset", and a preferred time band: Morning 9am–12pm, Midday 12–3pm, Afternoon 3–6pm or Evening 6–9pm. We are open 7 days a week, 9:00am–9:00pm.

A booking is a request until we confirm it. We confirm by email with a calendar invite, normally within [___ hours] during opening hours.

First-time guests complete a short health questionnaire before their first session, and every first visit begins with a consultation with one of our Healers ([30–45 min proposed]), who identifies the core issue and designs a

personalised package. Hyperbaric Oxygen also requires a pre-session screen by a trained host [per Elevé protocol — pending]. We may need to move or decline a booking if the screen indicates a modality is not suitable.

3. Confirmations and reminders

- **Confirmation:** by email with a calendar invite, showing the modality, date, time, duration, arrival time and this policy.
- **Reminder:** by [email / WhatsApp / SMS — to be decided] [24 hours] before the session. Reminders are a courtesy; the booking stands whether or not one is received.
- **Personal data:** contact and health details are handled in line with Federal Decree-Law No. 45 of 2021 on personal data protection (PDPL) and our Privacy Notice [reference].

4. Payment, deposits and card on file

Our website promise is "No charge until your visit." Payment for single sessions is taken at the studio on the day.

To protect high-demand slots (we have one unit of each machine), we may ask for one of the following [to be decided]:

- a card held on file at booking, charged only under the no-show and late-cancellation rules below; or
- a deposit of AED [___] for Hyperbaric Oxygen, group bookings and "Find your reset" sequences.

We accept Apple Pay, card and cash. Buy-now-pay-later (Tabby) will be added later. Card details are stored only by our payment provider [Payment provider] and never written down or kept by hosts.

Members pay by monthly billing under the Membership Terms & Conditions (AUR-CLI-04).

5. Arrival

- Please arrive **10 minutes early**, hydrated. This time is for check-in, changing, the health check-in with your host and our breathing ritual: in for four, out for six.
- Avoid heavy make-up and lotions before light and cold sessions.
- A shower is required before the cold plunge.
- Robes, Aura-branded towels, Aura-branded clothing to wear in the centre, hotel-style Aura-branded slippers and everything each modality needs are provided. You need bring nothing.
- Refreshments are served on arrival and after your session [menu to confirm].

6. Late arrival

Sessions run to a schedule so that every guest receives their full time and every machine is cleaned and reset between uses.

- If you arrive late, your session is **shortened, not extended**, and the full price or session allowance applies.
- If you are more than [15 minutes] late, or too late for the session to be delivered safely (for example, the Healer consultation or the hyperbaric pre-check cannot be completed), the booking may be treated as a late cancellation. Your host will try to offer the next available slot first.
- Cryotherapy and cold plunge are short sessions that still require full safety preparation; a late arrival may mean these are moved rather than shortened.
- Please call or message [Phone] / [WhatsApp] if you are running late. We will always do what we can.

7. Cancellation windows

Service	Free cancellation or change	Late cancellation (inside the window)

- **Restore members:** the session is forfeited and counted against the month's 8-session allowance.
- **Elevate members:** the session is forfeited. After [2] no-shows in a calendar month, advance booking may be limited to [___] days ahead for the following month.
- **Founding members:** the same rules as their membership tier.
- Repeated no-shows (more than [3] in [90 days]) may lead us to require a deposit for future bookings.

9. Member-specific rules

- **Priority booking windows:** Restore members may book [___ days] ahead; Elevate members [___ days] ahead; non-members [___ days] ahead [to be decided].
- **Opening week:** Elevate and founding members have first access to opening-week slots in Dubai.

- **Fair use:** Elevate unlimited sessions are subject to the fair-use terms in AUR-CLI-04.
- **Cross-location:** bookings at our Santa Ana, California studio follow that studio's local booking terms; it is open by appointment.

10. Guest passes

- Guest passes are booked by the member in the guest's name, at least [24 hours] ahead.
- The guest completes the health questionnaire and follows this policy and the House Rules (AUR-CLI-06).
- A guest no-show or late cancellation uses the pass. Passes are not reissued.
- Guest passes cover one core-modality session; they do not cover add-ons or retail [confirm].

11. Rescheduling

- Rescheduling outside the cancellation window is free and unlimited.
- Rescheduling inside the window is treated as a late cancellation, unless the host can fill the slot or section 14 applies.
- We may need to reschedule you if equipment is unavailable, an Elevé service visit runs over, or a Healer or facilitator is unavailable. We will tell you as early as possible and offer the next suitable slot or a credit (see AUR-CLI-03).

12. Group bookings

Groups of [4] or more guests, private studio hire, corporate sessions and small-group breathwork or sound healing (up to [__] guests):

- are booked through the General Manager at [Email];
- require a deposit of AED [___] or [___]% to confirm [to be decided];
- may be changed free of charge up to [7 days] before; reductions in numbers inside [72 hours] are charged at AED [___] per guest;
- require each guest to complete the health questionnaire in advance.

13. Waiting list

- If a slot is full, we add you to the waiting list for that modality and time band.
- When a slot opens, we contact the first guest on the list by [WhatsApp / email] and hold the slot for [30 minutes].
- A waiting-list slot accepted inside the cancellation window is still covered by this policy once confirmed.

14. Health-related cancellations, handled with grace

The nervous system comes first. If you are unwell, injured, have a fever, or your doctor has advised against a session, please do not come in. Tell us as early as you can.

- We waive late-cancellation and no-show charges for genuine illness or medical advice, at the host's or General Manager's discretion. We do not require medical certificates for single occasions.
- If a host or Healer finds on the day that a modality is not suitable (for example, after the health check-in), the session is not charged and we offer an alternative modality, a later date or a credit.
- Pregnancy, a new diagnosis or a change in medication should be shared with your host before your next booking so we can adjust your protocol.

15. Our commitments to you

- We will start on time.
- We will tell you promptly if we need to move your booking.
- We will apply this policy fairly, and with care.
