Opening, Closing & Shift Handover Checklists

Document No. AUR-SOP-01 · Version 0.1 (Draft) · Owner: General Manager · Effective: [Date]

1. Purpose and scope

This SOP sets out what the Hosts do to open The Aura Reset Center each morning, hand over between shifts and close each night. It applies every day of the week at our Jumeirah 1 studio, 332 Jumeirah First, Jumeirah Beach Road.

The studio is open to guests **7 days a week, 9:00am to 9:00pm**. There are **2 Hosts on each shift**. One of them is the **senior Host** for the shift and signs off each checklist.

Shift	Proposed times	Main checklist
Opening shift	9:00am – 3:30pm [confirm]; Hosts arrive at [8:15am — confirm]	Opening checklist (section 3)
Overlap	2:30pm – 3:30pm [confirm]	Shift handover checklist (section 4)
Closing shift	2:30pm – 9:00pm [confirm]; Hosts stay until [9:45pm — confirm]	Closing checklist (section 5)

> Every machine setting, warm-up time, session limit and cleaning product in this SOP is **[per Elevé protocol — pending]**. Elevé Health operating instructions have not yet been received. Update this SOP when they arrive.

2. How to use the checklists

- Print one copy of each checklist per day, or use the digital version in [Booking system — to be chosen / shared drive].
- Write the time and your initials against each line as you complete it. Do not tick ahead.
- Mark anything not done as **N** and write the reason in the notes row.
- A unit that fails its check is **not used**. Tag it out and follow the Equipment Care, Maintenance & Fault Log (AUR-SOP-09).
- The senior Host signs the bottom of each checklist. The General Manager reviews the previous day's sheets each morning.
- Completed sheets are kept for [12 months].

Date: _____ Opening senior Host: _____ Second Host: _____

3. Opening checklist (target: complete by 8:55am)

3.1 BUILDING, LIGHTS, MUSIC AND SCENT

Task	Standard	Time	Initials
Disarm alarm, unlock staff entrance	Use your own code; never share it	____	____
Walk-through of all rooms	No damage, leaks, odours or overnight issues; report anything to the General Manager	____	____

Notes: _____

Senior Host (opening)	Signature	Time
_____	_____	_____

4. Shift handover checklist (overlap, about 2:30pm – 3:30pm [confirm])

The outgoing senior Host briefs the incoming senior Host face to face. Never hand over by message alone. The floor stays covered by at least one Host throughout.

Item	Handed over (☐)	Notes
Guests currently in the studio, and which unit each is on	☐	_____
Rest of today's bookings, first-visit guests and Healer consultations	☐	_____
Any unit out of service or behaving oddly; fault log entries	☐	_____
Cold plunge temperature recorded at handover	☐	____ °C
Sauna temperature and compression boots charge	☐	____ °C / ____ %
Open WhatsApp conversations and leads not yet booked	☐	_____
Guest concerns, complaints or incidents today (AUR-SAF-04, AUR-SAF-05)	☐	_____
Laundry status and amenity stock (anything below par)	☐	_____
Refreshment and retail stock low or sold out	☐	_____
Cash drawer status (mid-day count optional)	☐	AED [___]
Messages from the General Manager	☐	_____

Outgoing senior Host	Incoming senior Host	Time
_____	_____	_____

5. Closing checklist (starts after the last guest leaves)

Last bookings are timed so that every guest has left by 9:00pm. Do not start shutting down a unit while a guest is still in the building's treatment area.

5.1 DEVICES

Unit	Close-down step	Time	Initials
Whole-Body Cryotherapy	Clean, shut down [per Elevé protocol — pending]; door left as instructed	____	____
Red-Light Bed	Clean surface and eyewear; power off [per Elevé protocol — pending]	____	____
Infrared Sauna	Heater off; bench wiped; door left ajar to dry [per Elevé protocol — pending]	____	____
Hyperbaric Oxygen chamber	Clean interior; power down [per Elevé protocol — pending]	____	____
Dry Float Bed	Wipe membrane; heater setting overnight [per Elevé protocol — pending]	____	____
Salt Cabin	Clean; shut down [per Elevé protocol — pending]	____	____
