Lead Response, WhatsApp & Online Booking SOP

Document No. AUR-SOP-03 · Version 0.1 (Draft) · Owner: General Manager · Effective: [Date]

> Draft for internal use. To be reviewed by a UAE-qualified legal adviser once the trade license is issued.

1. Purpose

Most new guests of The Aura Reset Center will come from paid ad campaigns on Meta (Facebook and Instagram) and Google. Guests book online through our website and on WhatsApp. A lead answered in minutes is far more likely to book than one answered in hours. This SOP sets response targets, message templates, tracking and the rules on marketing consent.

Booking software is **[Booking system — to be chosen]**. Our WhatsApp Business number is [WhatsApp]. Website booking: [Website].

2. Response-time targets

Channel	During opening hours (9:00am – 9:00pm, 7 days)	Outside opening hours
WhatsApp message from an ad ("click to WhatsApp")	First reply within **5 minutes**	Auto-reply at once; personal reply by **9:15am**
Meta / Instagram lead form	Reply within **5 minutes** (WhatsApp if consent given, otherwise call or email)	First thing next morning, by 9:30am
Instagram direct message	Within **15 minutes**	By 9:30am
Google ad call	Answer within 3 rings; if missed, call back within **10 minutes**	Voicemail [to be set up]; call back by 9:30am
Online booking via website	Confirmation sent automatically; Host personal welcome within **1 hour**	By 9:30am
Email enquiry	Within **2 hours**	By 11:00am

- The **senior Host** on each shift owns the inbox. The second Host covers when the senior Host is with a guest.
- A guest in front of you always comes first. If both Hosts are with guests, send the "one moment" quick reply, then reply in full as soon as you are free.
- Check WhatsApp at least every 15 minutes, and at every handover (AUR-SOP-01).

3. Tone

- Calm, warm, precise and unhurried. Short sentences. Second person ("you").
- Use the guest's first name. Sign with your own first name: "— [Host name], The Aura".
- No hype, no pressure, no exclamation marks in a row, no emoji in templates (a single one may be used by a Host if the guest uses them first).
- **No medical claims.** Say "many guests find it helps them feel calmer", never "it cures" or "it treats".
- Never describe IV Nutrient Therapy or a float tank as available. IV therapy is not offered at launch.
- If a question is medical, say: "That's a great question for your doctor. Our modalities are wellness services and not a substitute for medical care."

4. WhatsApp Business set-up

- Business profile: The Aura Reset Center, address 332 Jumeirah First, Jumeirah Beach Road, Jumeirah 1, Dubai; hours 9:00am – 9:00pm daily; website [Website].
- Labels: **New lead**, **Booked**, **First visit**, **Member**, **Founding member list**, **Follow-up**, **Do not market**.
- Access only on the studio's [tablet / phone], never on personal phones (AUR-SAF-03 and AUR-POL-07).
- Messages may contain health information. Never forward screenshots. Do not ask for health details in WhatsApp; send the secure forms link instead.

What would you love to feel more of right now: deeper sleep, less stress, more energy, faster recovery, or something else? I can suggest a first visit and find you a time.

> Hello [Name], we're sorry: our [modality] is unavailable on [Date] for maintenance. We'd love to offer you [alternative] at the same time, or a new time for [modality]. Which would you prefer? (See AUR-SOP-09.)

6. Online bookings

1. When an online booking arrives, check the unit timeline for clashes (AUR-SOP-10).
2. Check whether it is a first visit. If so, add the Healer consultation before the session and adjust times if needed.
3. Send a personal welcome on WhatsApp (if consent) within 1 hour in opening hours.
4. Check forms are sent. Chase missing forms 24 hours before.
5. Update the lead tracking table: status "Booked".

7. Lead tracking

Every lead is recorded on the day it arrives, in [Booking system — to be chosen / lead tracker sheet]. The General Manager reviews the table weekly with the ad results.

Date / time in	Name and mobile	Source (Meta, Instagram, Google, website, walk-in, referral)	First reply time	Status (New, Replied, Booked, Lost)	Notes / next step
_____	_____	_____	_____	_____	_____
_____	_____	_____	_____	_____	_____
_____	_____	_____	_____	_____	_____

Follow-up rule for unbooked leads: one follow-up after 24 hours, a second after [3 days]. After that, mark "Lost" unless the guest replies. Never send more than two follow-ups.

Weekly measure	Target
Leads answered within 5 minutes (opening hours)	[90]%
Leads that book a first visit	[___]%
First visits that rebook	[___]%

8. Consent for marketing messages

Personal data is handled under the UAE Federal Decree-Law No. 45 of 2021 on personal data protection (PDPL) and our Data Protection & Client Confidentiality Policy (AUR-SAF-03).

- **Service messages** (confirmations, reminders, reschedules, follow-up after a visit) are sent because the guest asked to book with us.
- **Marketing messages** (offers, events, newsletters, founding-member promotions) are sent **only** when the guest has opted in, for example by ticking the marketing box on the intake form (AUR-FRM-01) or the lead form.
- Record the consent, the date and the channel in the guest profile.
- If a guest says "stop", "unsubscribe" or similar, reply once to confirm, label them **Do not market** and remove them from all lists the same day.
- Never add a guest to a WhatsApp group or broadcast list without consent. Never share one guest's number with another.
- Do not buy or import contact lists.

9. Escalation

- Complaints by message: acknowledge within 15 minutes and follow AUR-SAF-05.
- Questions about health conditions: do not advise; send the forms link and offer the Healer consultation; suggest the guest speaks with their doctor.
- Media, influencer or partnership enquiries: pass to the General Manager.
