Retail Sales & Stock SOP

Document No. AUR-SOP-07 · Version 0.1 (Draft) · Owner: General Manager · Effective: [Date]

1. Purpose and scope

The Aura Reset Center sells a small, considered retail range that lets guests take the feeling of the studio home. This SOP covers display, product knowledge, how we sell (gently), pricing, the POS, receiving stock, counts, reordering, returns and member discounts. It applies to all Hosts.

2. Our retail range

Category	Products	Notes
Copper mugs	[Range and sizes to confirm]	Also used at our refreshment station (AUR-SOP-06)
Organic fragrances	[Range to confirm: room mists, oils, candles]	Made from organic materials; follow the low-scent rule when testing
Wellness pillows	[Range to confirm]	For rest and sleep
Linen merchandise	[Range to confirm: clothing, throws, bags]	Linen fabric, Aura branded

Every price is **AED [___]** until the price list is approved under the Roles, Responsibilities & Delegation of Authority document (AUR-GOV-02). Prices include VAT at 5% once our TRN is issued [TRN].

3. Display standard

- The retail display is near the lounge exit, where guests pass after their rest [location to confirm].
- Dust and face up at opening and handover (AUR-SOP-01). Fill gaps from the stockroom straight away.
- Every product has a clear, branded price label showing AED [___] (or a shelf label for each line).
- Group by category. Hero product at eye level. No more than [3] of each item on display.
- Fragrance testers: one per scent, labelled "Tester", with blotter strips. **Low-scent rule:** testers stay capped; no spraying into the air.
- Damaged or dusty items are removed from display.
- Display follows the brand guidelines (AUR-GOV-06): calm, uncluttered, natural materials.

4. How we sell: no pressure, ever

Our guests come to calm their nervous system. A sales push undoes that.

- **Wait for the right moment:** only after the post-session rest, never before or during a session.
- **Link it to the guest:** mention a product only if it connects to something the guest said or enjoyed.

- **One mention only.** If the guest says no, or does not respond, let it go.
- No discount talk to close a sale. No "today only". No follow-up messages about retail unless the guest agreed to marketing (AUR-SOP-03).
- Never make health claims about any product.

PRODUCT KNOWLEDGE PROMPTS

Product	You might say	Never say
Copper mug	"This is the mug you had your water in today. Many guests like to keep the ritual going at home."	Any claim that copper heals or treats
Organic fragrance	"This is made from organic materials. If you enjoyed the calm in the lounge today, you might like it at home."	"It cures insomnia"
Wellness pillow	"You mentioned you sleep lightly. Guests often tell us they love the support of this one."	"It fixes neck pain"
Linen merchandise	"Our linen pieces are soft and breathable, made for slow days."	—

[Each supplier to provide a one-page product sheet: materials, origin, care, allergens or ingredients for fragrances, size.] Hosts read each sheet during onboarding.

5. POS steps

POS system: [POS system — to be chosen, may be part of the booking system].

1. Scan or select the item. Check the price on screen matches the label.
2. Apply a member discount only if the guest is an active member (section 8).
3. Add to the guest's visit bill or ring through as a separate sale.
4. Take payment by Apple Pay, card or cash (AUR-SOP-08).
5. Offer a receipt (tax invoice once TRN issued).
6. Wrap in [branded tissue / bag]. Hand over with both hands.

6. Receiving stock

1. Check the delivery against the purchase order (AUR-FIN-10): item, quantity, condition.
2. Check for damage, missing items and correct branding.
3. Note any shortage or damage on the delivery note before signing. Photograph damaged goods.
4. Enter received quantities into [POS / stock sheet] the same day.

5. Store in the stockroom: clean, dry, off the floor, away from cleaning chemicals and laundry. Fragrances away from heat and sunlight.
6. File the delivery note for Finance.

7. Stock counts

Count	When	Who	Checked by
Daily sales check	At close: items sold vs POS report	Closing senior Host	General Manager (next morning)
Weekly spot count	[Day]: [5] lines at random	Opening senior Host	General Manager
Monthly full count	Last day of month after close	Two Hosts together	General Manager

Differences of more than [1 unit] or AED [___] are reported to the General Manager the same day.
