5. Caption examples

Reveal (Behind the build): Something calm is being built on Jumeirah Beach Road. Ten ways to reset, heal and elevate, and a Healer to guide you, in one beautiful space. Open 7 days, 9am to 9pm. Opening November 2026. The first 100 are welcomed first. Link in bio.

Breath of the week: In for four. Out for six. Do it three times, right where you are. Notice your shoulders drop. This is how every visit at The Aura begins.

Cryotherapy (Reset): Three minutes. Minus 110 degrees. No nitrogen, just an Elevé electric chamber with thermal-vision monitoring and a Host beside you the whole time. Many guests say they walk out clearer.

Meet the hosts: Meet [Host first name]. Trained by Elevé Health on every unit. Not a receptionist: someone who walks with you from arrival to the last exhale.

Healer consultation (Elevate): Your first visit starts with a conversation. One of our Healers listens, finds the core of what you are carrying, and designs a package to help your nervous system settle. Then your Host walks you through it.

Founder: "When I came to Dubai, something immediately felt different. I felt at home." Our founder's wellness journey began in 2014. This November, it opens its doors in Jumeirah 1.

Founding 100: Launch price locked for 12 months. Two guest passes a month for your first three months. An invitation to our November launch evening. No payment to join the list. 100 places.
