> Status: all reward values are [___] and every tier is [proposed]. Final values are set by the CEO using the pricing and costing worksheet (AUR-FIN-12) and the discount guardrails in it.

1. Purpose

Most new guests will first find The Aura through our paid ad campaigns; the guests who stay often bring someone who already feels the difference. This programme rewards that, gently, without turning the studio into a sales floor. It has four parts: member-get-member, guest-pass conversion, loyalty tiers and corporate wellness partnerships.

2. Principles

- Rewards are in experiences, not cash.
- No pressure. Hosts never push referrals during a session.
- Clear and simple: a guest should understand the reward in one sentence.
- Every new guest completes the same health screening. A referral never skips screening.
- Rewards are sessions, add-ons or retail (copper mugs, organic fragrances, wellness pillows, linen pieces) [confirm]. Hyperbaric oxygen rewards are always subject to the pre-session health screen.

3. Member-get-member

Item	Detail
Who can refer	Any active Restore or Elevate member, and founding members
Who can be referred	Someone who has never held a membership at The Aura
Trigger	Referred friend starts a paid membership and completes their first [1] month
Reward for member	[___] (for example, a complimentary add-on session or AED [___] credit)
Reward for friend	[___] (for example, first month at AED [___] or a bonus session)
Limit	Up to [___] rewards per member per year
Tracking	Referral code or name recorded in the booking system at sign-up

4. Guest-pass conversion

Restore members receive one guest pass a month; Elevate members receive two. Founding members receive two guest passes a month for the first three months.

Journey:

1. Member books guest in advance; guest receives a welcome message and screening form.
2. The guest begins with a Healer consultation; the Host then gives the full first-visit walkthrough and breathing ritual.
3. Before leaving, Host offers a short conversation about what the guest felt, and how a membership might fit. No hard sell.
4. Guest receives a follow-up message within [24] hours with a guest-pass offer valid for [7] days: [___].
5. If the guest joins, the hosting member receives the member-get-member reward.

Rules: guest passes are for first-time guests only, cannot be sold, do not roll over, and exclude add-ons and retail unless stated [to be confirmed].

5. Loyalty tiers [proposed]

Tiers recognise how long someone has been with us, not how much they spend.

Tier [proposed]	Qualifies after	Recognition [proposed]
Arrive	First paid visit	Welcome ritual, saved preferences
Rhythm	[3] consecutive months of membership	[___]
Steady	[6] consecutive months	[___]
Halo	[12] consecutive months	[___], plus invitation to an annual member evening

For pay-as-you-go guests, a visit card [proposed]: every [___] Single Resets earns [___].

Paused months [count / do not count] toward tenure [to be confirmed].

6. Corporate wellness partnerships

Model	Description	Commercial terms
Corporate membership	Company pays for named employee memberships	AED [___] per member per month; minimum [___] members
Session bundle	Company buys a block of sessions for teams	AED [___] per bundle of [___]
Team reset day	Private group breathwork or sound healing plus selected modalities	AED [___] per group

Model	Description	Commercial terms
Employee benefit rate	Employees pay their own membership at a partner rate	[___]% below standard

Target partners: hotels, airlines and aviation crews (post-flight reset), finance and professional services, family offices, and sports clubs. Each partnership has a signed agreement, a named contact, an invoicing schedule (AUR-FIN-11) and a quarterly review.

7. Founding member interaction

Founding-member benefits stand alone and are not reduced by this programme. Founding members can earn referral rewards from opening. Rewards do not change the locked launch price.

8. Terms (draft)

1. The programme is offered by [Registered Company Name], trading as The Aura Reset Center, and may be changed or ended with [30] days' notice. Rewards already earned will be honoured.
2. Rewards have no cash value, cannot be exchanged or transferred, and expire [___] months after they are issued.
3. Self-referrals and referrals between members of the same household [are / are not] eligible.
4. Rewards are issued only once the referred guest's qualifying condition is met.
5. Corporate partnership rates cannot be combined with founding-member pricing or other offers.
6. Rewards are subject to the Booking Terms (AUR-MKT-02), including screening and suitability.
7. We may withhold rewards where we reasonably suspect misuse.
8. VAT applies to paid elements in line with UAE VAT rules once registered [TRN].
9. Personal data used for the programme is handled under the Website Privacy Policy (AUR-MKT-01).

9. Measurement
