The delay in filing and payment of the VAT return was unintentional. At the time, we were not fully aware of the applicable filing and payment requirements and the relevant deadline. Once we became aware of the requirement, we took the necessary steps to complete the VAT filing and payment. We assure you that the required compliance procedures are now in place to ensure that future VAT returns and payments are completed within the prescribed deadlines. In light of the above, we kindly request the Federal Tax Authority to reconsider the matter and waive the penalty imposed.

We sincerely appreciate your understanding and favourable consideration.

Yours faithfully,

BOTANY PROPERTIES L.L.C
